

Best guest,

Just a little while longer and your holiday will start at Camping 't Weergors. Due to the current COVID-19 measures, we are obliged to ask you a number of questions about your health and that of your fellow travelers before your visit. We would therefore like to ask you to answer the following questionnaire truthfully 2 days before arrival.

If you are staying with several people, please share this with your entire travel group. When everyone has **read this and can answer "no" to everything, you are (almost)** ready to go on holiday. Unfortunately, if one of the questions below is answered with YES, you may not come. Your visit should be postponed until no answer can be given to any question.

Just print this form, sign it and bring it with you so that you can hand it over at the reception.

Thanks in advance for your cooperation.
